ALLERGEN AND DIETARY INFORMATION

There are 14 legally specified food allergens, and this table states which products contain or may contain them as follows:

- ● **Contains** – means a planned ingredient which is definitely present.
- □ **May contain** – means a supplier has reported to us a real risk of cross-contact on their production line.
- ○ **May contain via shared equipment** – means there is a potential cross-contact through shared cooking equipment in our kitchen (fryers, flame grilling equipment - broiler and toaster).

Burger King® is committed to reducing the risk of allergens present in our kitchens. Our priority is to ensure customers with food allergies and intolerances have accurate information to enable them to make safe choices from our menu.

Burger King® kitchens have strict controls in place to reduce the risk of cross-contact, such as: separate storage areas, utensils, and cleaning equipment for products containing allergens. In common with other catering operations, our kitchens are fast-paced and open environments, hence, **Burger King® cannot guarantee that any product is entirely free from any allergen.**

Allergens marked with * applies only for Northern Ireland stores.

Customers with food allergies and intolerances should be aware of the following information. For gluten and tree nuts allergen source, please check the numbers as follow: 1 - wheat, 2 - barley, 3 - rye, 4 - oats, 5 - spelt, 6 - kamut, 7 - almonds, 8 - hazelnuts, 9 - walnuts, 10 - cashews, 11 - pecan nuts, 12 - Brazil nuts, 13 - pistachio nuts, 14 - Macadamia nuts, 15 - Queensland nuts, 16 - Coconuts. When there is a contain for gluten or tree nuts, the source is declared, but possible traces of other sources for those allergens might be contained as well. E.g. a sandwich containing wheat could contain traces of other gluten sources, such as barley, rye, oats, spelt and kamut.

For allergen information for branded items such as dip pots, sachets and bottled drinks, see printed packaging for details.

DIETARY INFORMATION	
The Vegan Society	The Vegan Society accepts the 'may contain' warning alongside their trademark and understand that many products are produced in facilities where non-vegan products are handled, and are aware that the possible risks of cross-contamination with allergens need to be declared. The Vegan Society have ensured that the vegan certified menu items are free from animal ingredients and any animal by-products. And that Burger King® meet the Vegan Society's strict guidelines of minimising cross-contamination as far as is practicable and possible during the preparation and cooking of these items.
Frozen Drinks	Product contains glycerol. Not recommended for children under 7 years of age.
High Caffeine Energy Drinks	In line with industry best practice and guidance, this product is not recommended to those under 16 years of age, pregnant or breastfeeding women, or those sensitive to caffeine (32mg/100ml). Consume responsibly.

Toaster: All our buns are toasted in the same toaster. They all contain gluten, some contain sesame and some may contain milk and egg. If you are allergic to any of these ingredients you are advised not to choose any of our sandwich products with a bun. **Fryers:** We have separate fryer vats for different products but they share an oil filtration system which creates a risk of cross-contact when the oil passes through the filter. **Broiler:** This high temperature grilling device cooks all our beef patties and also our breakfast sausage patties. **Bones:** Although we take great care to remove bones from our meat, and poultry products, some small bones may still be present.

Whopper®, Whopper Jr.®, Plant-based Whopper®, Double Whopper®, Bacon & Cheese Chicken Royale®, Chicken Royale®, Ben & Jerry's®, Oreo® Fusion, Coca-Cola®, Fanta®, Monster Energy® , Innocent®, Tropicana®, Smarties ® are registered trademarks.
