Makers**

Are you approaching an  
Uncontrolled Crossing?

**STOP!**  
Look Left,  
Look Right!

## Always STOP when approaching an Uncontrolled Crossing!

When approaching an Uncontrolled Crossing  
ensure the following is carried out:

- STOP.
- Look left, look right.
- Do not proceed if anti-collision lights are illuminated.
- Do not proceed if aircraft are taxiing or under tow.
- Consider prop wash and jet blast.
- Only proceed if you can complete the crossing without stopping and the exit is clear.

Uncontrolled Crossing are  
delineated by black and white  
chequered markings.  
No pedestrian access  
is permitted on Uncontrolled  
Crossings.
