Adults need around 2000kcal a day. Calorie information displayed is based on our caffeinated drinks using semi-skimmed milk. Please ask us for our menu which displays the calorie content of coffees and drinks made with different milk and syrup varieties including sugar free options and decaffeinated coffees. Please ask a member of staff for our allergen information and check each visit as ingredients may have changed since your last purchase. We cannot guarantee that our handmade beverages and unpackaged food items are suitable for people with allergies as we use shared equipment.
