

AeroZone Manchester GDPR Policy

How Will We Use Your Data?

We only collect data regarding your school, your staff, and your students that is relevant to your upcoming visit. This data is used to plan the itinerary and ensures that your visit is as relevant to your learning outcomes as possible.

The information in section 1 will be used to contact you to organise your visit and to collect feedback.

The information collected in section 2- Group Details - will be used in reports which measure AeroZone data including which regions use the AeroZone, how many students use the AeroZone, the type of educational institutions/groups which use the AeroZone, new vs recurring AeroZone users, which topics schools are using the AeroZone for, and age groups using the AeroZone. These reports help us to identify key usage data to ensure we are providing the most useful and relevant experiences for the students.

The information collected is stored within Microsoft Bookings and information will be kept for two academic years before being removed from our records.

If you would like to be kept up-to-date with the exciting educational opportunities at the Airport (including special events, competitions, and more) please email man.aerozone@manairport.co.uk. If you contact our airport teams by email, we will collect your personal data such as contact information to resolve your enquiry. All the personal information collected will depend on the information that you provide us. You can unsubscribe at any time. Your email will be retained for a period of two years.

If you would like to find out more about how MAG Manchester Airport handles your data please visit: www.manchesterairport.co.uk/privacy-policy/
