# CONCORDES 20<sup>TH</sup> ANNIVERSARY GALA DINNER

FRIDAY 27TH OCTOBER 2023

On 24 October 2003, British Airways withdrew Concorde, bringing to a close the world's only supersonic passenger service.

To commemorate this and G-BOAC arrival in Manchester, we would like to invite you to join us for a special exclusive Gala Dinner underneath the wings of the magnificent flagship G-BOAC to celebrate Concorde's 20th Anniversary.

Guest speaker; former Concorde and Boeing 777 **Captain John Tye** will be with us for the evening, and he will be sharing his unique memories and experiences with us.

We will also be joined by the world's most travelled man and Concorde's most frequent flyer **Fred Finn**.

Your evening will start with a drinks reception followed by a four-course meal, set under the wings of G-BOAC, live performances from the sensational soprano **Gemma Ashley**, and an opportunity to board the aircraft, along with a nostalgic nod of Concorde's nose to end the evening.
