Do you know your  
Pushback Routes?

Follow The Published  
Pushback Plans

All Pushback Plans are located on the  
Airport Website and the Community App.

## Be Prepared for Non-Standard Pushbacks

- Have the airports pushback plans to hand or in the cab of the pushback tugs.
- Follow ATC and flightdeck instructions.
- Challenge if an instruction does not seem clear.
- The EMA Marshalling and Pushback Manual covers the Central, Central West, East and West Aprons at EMA.
