Is Your Vehicle Fit for Airside Use?

Are Yellow Flashing Vehicle Obstacle Lights Serviceable?

Are Headlights Serviceable?

Ensure all Vehicles are
Checked Daily

Are Brake & Taillights Serviceable?

Are all Tyres Serviceable and in Good Condition?

Maintain Good Vehicle Standards

- Vehicles that are in an unserviceable condition must be removed from use. ❌
- Never operate a vehicle that is unserviceable. 🚫
- It is a requirement that all vehicles are checked daily within a 24-hour period. 📝
