## KIDS BREAKFAST

### Ahlan Wa Sahlan - Welcome

Comptoir Libanais was born from my love of Middle Eastern and North African food and culture, I always enjoy sharing food: food that's healthy, delicious and above all simple and colourful.

I always had a dream to open a restaurant that welcomes everyone from all walks of life, just like we greet our own guests at home. A place that celebrates our generous culture and warm hospitality.

A lot of the dishes are a taste of home, inspired by the kind of food my mum used to make for us growing up and of course, from my travels around the Middle East and North Africa.

The kind of food that brings people together.
