## THE FEVER-TREE STORY

**FEVER-TREE BEGAN IN 2003 WITH A MEETING OF TWO MINDS AND ONE SIMPLE PREMISE:  
IF THREE QUARTERS OF YOUR G&T IS THE TONIC, WOULDN'T YOU WANT IT TO BE THE BEST?**

From the very beginning, our founders Charles and Tim approached their business in a different way – there would be no compromise at Fever-Tree. In our quest for the perfect tonic water, we spent days in the British Library researching quinine sources before travelling to some of the most remote parts of the world, venturing as far as the Democratic Republic of the Congo to find the highest quality quinine, sourced from the legendary cinchona tree (locally known as fever-trees). Flavour and quality were of the utmost importance. Since we put the lid on our first bottle of our Premium Indian Tonic Water, we haven't wavered in our single-minded mission to bring quality, flavour and choice back to mixers.

Pioneering to produce an unrivalled drinking experience at every occasion we've developed our drinks menu with taste at the forefront. Our range of tonic waters are perfectly paired with some of our favourite gins, our gingers made for dark spirits have been mixed with the finest whiskies & rums and our flavoured sodas are served with vodka, vermouths and Italian liquors for the ultimate spritz.

We hope you'll find your perfect pairing, but don't hesitate to ask one of the team if you can't find what you're looking for.
